Un-assignment confirmation
?
To un-assign a resource means that this person will not any more be able to access project related resources. You may contact this resource prior to un-assignment and ask back all work done.
1902
You may add an email with this un-assignment:
To: Ulrich Bitter
Subject: Unassignment from D980
Ulrich don't mind if I give this to someone else. Continue full speed with XLT.

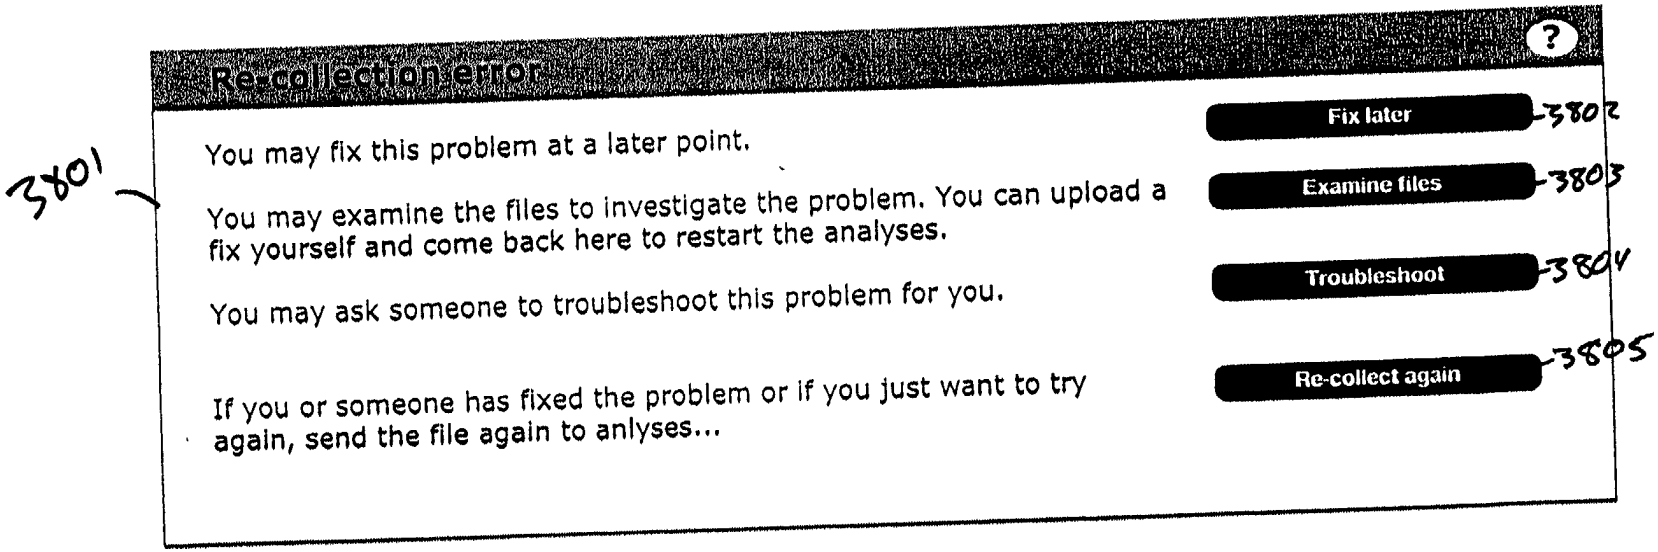
Approval
?
3701
You may approve this project later, if you like.
Approve later
3702
You may like to review files now.
Review Files
3703
You may ask someone to troubleshoot files for you.
Troubleshoot
3704
Approve
with recollecting translations
3705
You may approve this project, so that all transaltions are re-collected. That means that all translations from this project can be later re-used.
If you uncheck the "with recollecting translations" box, nothing can be reused from this project.

Figure 3 7



Re-collection error
?
3801
You may fix this problem at a later point.
Fix later
3802
You may examine the files to investigate the problem. You can upload a fix yourself and come back here to restart the analyses.
Examine files
3803
You may ask someone to troubleshoot this problem for you.
Troubleshoot
3804
If you or someone has fixed the problem or if you just want to try again, send the file again to anlyses...
Re-collect again
